

## ST. JOHN'S INSTITUTION IS NOW READY TO OPEN!

Mr. Hiram McGar, owner and Mr. Duke Carrington. manager of the Black Panthers wish to announce that their team is in splendid shape for the season. 1922. The Panthers have several new players with plenty pep and speed which will make the team much stronger than the team of 1921. Mr. McGar, has gone to great expense to secure players from different parts of the country to win the 1922 penant. The new ones are Carter at 2nd. He is fine and has plented pep. Maxwell in right field as very fast—a bard batsman; Little Reed, speed king of pitchers and Frod Barnett, a left hander in center, fermerly of Wichita Falls are great. Tom Gee formerly of Galveston and Red Prince will catch. Glover, a new South Paw, Hodge and Lefty Fuller are pitchers in good trim with these stars. Jim Liggins at 3rd, Lonnie Boyd, short stop, Frank Johnson staring in left and captain Laurie Jones at first base. This team is great.
